

## THE CAUSE EFFECTIVE RETREAT

ALIGNMENT • ENGAGEMENT • COMMITMENT

Cause Effective can help you plan and run a retreat to bring new energy, cohesion, and purpose to your board or staff team.

We do more than facilitate your meeting; together we can create a retreat that will place you on the right course to:

GROW THE NEXT GENERATION OF LEADERSHIP

CREATE A PLAN TO MAINTAIN YEAR-LONG MOMENTUM AND ACTION

DEFINE AND CLARIFY RESPONSIBILITIES

ESTABLISH BOARD-STAFF CONSENSUS AROUND HIGH-LEVEL PRIORITIES

BUILD THE FUNDRAISING AND GOVERNANCE SKILLS YOU NEED FOR SUCCESS

### ▶ A SUCCESSFUL DAY GROWS FROM PLANNING:

Before the retreat, Cause Effective develops group buy-in by prepping participants to take active roles.

### ▶ PARTICIPANTS EXERCISE LEADERSHIP:

Cause Effective Retreats create space for participants to share ideas and ask questions of each other, modeling high functioning teams.

### ▶ A SPRINGBOARD TO ACTION:

Cause Effective Retreats lay the foundation for the day after – when the hard work really begins. Participants will recognize their unique role in advancing the organization's public profile, community of support, and sustainability.

Our retreat packages include time for pre-retreat planning, retreat facilitation, and follow-up coaching. We help you ensure that the commitments made during the retreat have the greatest chance of success. Fees are \$4500-\$6000 for a full-day retreat. Half-day retreats also available.
